SUBJECT:   Paper Mills and Fabrication

25X1

1. The attached staff study on the subject "Paper Mills and Fabrication" was compiled at the request of the Director of Central Intelligence. OSO is proposing concrete remedial action both within CIA and without, in a separate memorandum to the DCI.

2. Consultation between the Offices of CIA concerned in this matter should take place at an early date. In preparation for these discussions, your comments on this study will be greatly appreciated.
